Background & Experience

Coming to BGA Insurance after many years with Wells Fargo, Kit honed his skills in protection planning, wealth accumulation, supplemental income planning, and wealth transfer strategies, specifically for high income and high net worth clients. He specializes in developing solutions that are designed to be in harmony with overall financial, estate, and business succession goals to help protect and preserve assets for the next generation.

Kit has more than 35 years of experience in the insurance industry, and his extensive knowledge of advanced life insurance strategies and their applications allows him to work closely with agents, attorneys, and accountants, all in order to execute the program best suited to meet the client's needs. After graduating from the University of Colorado, he started his career with Mass Mutual, then transitioned to the life settlement industry, before joining Wells Fargo for 11 years, where he worked with over 400 advisors.

Outside of work, Kit likes to stay active. Biking, playing a relaxing round of golf, and traveling with his wife Jan are his favorite ways to spend his free time.
