Jeremy Robeck affiliated with owR Opinion, L.L.C. in 2015 as Executive Vice President, Sales for the Midwest region, and offices out of the Greater Minneapolis-St. Paul area.

Jeremy began his insurance career in 1996 with Prudential Financial in a home office role supporting brokerage life distribution. He later moved to the field as an External Wholesaler for Crump where he helped Financial Advisors bring insurance solutions to their clients. More recently, Jeremy has partnered for the past 11 years with SBG, Inc., a wholesaling general agency in Minneapolis. He broadened his wholesaling expertise to include Point of Sale support for life, long-term care and disability income product solutions and has worked extensively with advisors in non-traditional distributions such as financial institutions, wire houses, banks, RIAs and P&C firms.

Joining forces with owR has enhanced Jeremy's back office processing, allowing him to focus on maintaining and fostering relationships with Financial Advisors. It has also enabled him to offer Advisors a larger insurance team, including an Advanced Sales Attorney, Medical Director and a dedicated internal team.

Jeremy is a proud veteran of the United States Navy and holds a Bachelor of Arts in Business Management from the University of Minnesota – Twin Cities.

Jeremy spends his time out of the office with his wife Tracie and their children: Ella, Aidan, Nola and Joey. Their busy schedules include baseball, track, gymnastics, 5k and adventure races.
