Drew has over 6 years of experience working with wirehouses and assisting financial advisors in a wholesale and point of sale capacity to grow their insurance business. Drew's knowledge and comprehension of tax issues allows him to work with advisors and their clients to formulate estate plans that efficiently transfer wealth to the next generation. He is also a certified life insurance continuing education instructor. Before joining Northeast Brokerage he worked for Hartford Life Insurance in Chicago, Illinois, where he was the top wholesaler in the country for 2006. His office produced more than \$20 million in insurance revenue and was the leading Hartford Life office in the country for 2009.

Drew holds a Certified Professional Sales Specialist Certificate.
