An experienced professional with over 38 years of experience in the insurance industry, Ted combines his knowledge in underwriting, risk management and business solutions to provide advanced insurance planning to clients of financial advisors and insurance professionals. Ted began his financial services career in 1980 with UBS as a financial advisor. After a decade with UBS, Ted transitioned to the General Agency side of the business, opening his own agency. Since that time, Ted has dedicated himself to focusing on the insurance marketplace, serving the wealth transfer and business solution needs of his clients with life insurance and long-term care solutions. With his strong background as a financial advisor, Ted also serves as a skilled point-of-sale specialist assisting FAs in building trust and providing strong solutions for their clients.

Ted is a widower with 5 children and 19 grandchildren. In his free time, he plays hockey and bikes. Ted has served as Chairman of the Board of Parkinson's Nebraska since 2007 when he and his wife Colleen founded the non-profit organization.
