Advantages for your clients and your bottom line

- ✓ **A lifetime guaranteed death benefit** — Our Optimal No-Lapse Enhancement (ONE) Rider guarantees your client's death benefit for life — no matter what the market does.²
- ✓ **Freedom to pursue growth potential** — Most companies limit the fund selection if clients select a no-lapse rider. With Lincoln, clients can choose from more than 70 diverse investment options in our Lincoln *Elite Series* of Funds — there are currently no restrictions.²
- ✓ **Competitive premiums** — Industry leaders for single- and short-pay scenarios
- ✓ **Financial flexibility** — If your client's cash value growth reaches a predetermined threshold, their policy may provide these benefits without impacting their guarantee:
 - The opportunity to stop paying premiums⁴
 - The ability to extend their guarantee duration⁵
 - Access to excess policy cash value growth³
- ✓ **Optional accelerated benefits riders** — A choice of either the *Lincoln LifeEnhance*[®] or *Lincoln LifeAssure*[®] Accelerated Benefits Rider for added protection against permanent chronic or terminal illness⁶
- ✓ **Support after the sale** — We make policy management easier with automated in-force illustrations and proactive policy change reminders.

²This assumes you fund your policy as specified. To maintain the guaranteed death benefit protection, automatic rebalancing is required and the use of the money market investment option is limited to the right-to-examine period, or as an account from which to transfer funds for the dollar cost averaging (DCA) program. We reserve the right to establish investment restrictions in the future under limited conditions as described in the prospectus.

³The Premium Reserve Rider gives clients access to any potential cash value above a predetermined threshold without impacting their guaranteed death benefit. The Premium Reserve Rider is included where applicable and is subject to certain fees and account credits if premiums are directed to this rider.

⁴Assuming the policy has been designed with ongoing premiums.

⁵Assuming the policy was not designed with a lifetime guarantee.

⁶Available for ages 20–80 if you qualify. Subject to certain requirements. Accelerated death benefits may be taxable and may affect public assistance eligibility. Rider and policy terminate when 100% of death benefit is fully accelerated. Other account values are reduced proportionately with each acceleration payment. Additional cost may apply.

The *Lincoln LifeEnhance*[®] Accelerated Benefits Rider or *Lincoln LifeAssure*[®] Accelerated Benefits Rider is not long-term care insurance nor is it intended to replace the need for long-term care insurance. The benefits are supplementary to the primary need for death benefit protection. The rider may not cover all of the costs associated with the chronic illness of the insured. The benefits of the rider are limited by the policy's death benefit at the time of claim; long-term care insurance does not typically contain this limitation.

Lincoln VUL^{ONE} (2014) policy form LN696/LR668, with optional rider form ABR-7052/ICC18ABR-7052 and LR630/ICC15LR631; *Lincoln SVUL*^{ONE} (2016) policy form LN667; and state variations are issued by The Lincoln National Life Insurance Company, Fort Wayne, IN, and distributed by Lincoln Financial Distributors, Inc., a broker-dealer. **The Lincoln National Life Insurance Company does not solicit business in the state of New York, nor is it authorized to do so.**

All guarantees and benefits of the insurance policy are subject to the claims-paying ability of the issuing insurance company. They are not backed by the broker-dealer and/or insurance agency selling the policy, or any affiliates of those entities other than the issuing company affiliates, and none makes any representations or guarantees regarding the claims-paying ability of the issuer.

Variable products are sold by prospectuses, which contain the investment objectives, risks, and charges and expenses of the variable product and its underlying investment options. Read carefully before investing.

Policy values will fluctuate and are subject to market risk and to possible loss of principal. Products, riders and features are subject to state availability. Limitations and exclusions may apply. Not for use in the state of New York. Check state availability.
