Mark Wiseman is a veteran with over 24 years in the insurance industry. His area of specialty has included estate and business planning, leveraged gifting strategies, trust planning, buy-sell planning, disability insurance and other key areas in the advanced planning market. His approach is unique in that he focuses on offering marketing concepts designed to help you and your clients more easily implement strategies that work. Mark's goal is to provide innovative insurance products, superior services and point-of-sale assistance when needed.

Prior to joining Agency Services, Inc., Mark was the Brokerage Branch Manager for Paul Revere Insurance Company in Memphis, TN for many years. While at Paul Revere, he worked exclusively with hundreds of brokers/advisors and their high-income clients need for disability income protection.
