Mark Wiseman is a veteran with over 24 years in the insurance industry. His area of specialty has included estate and business planning, leveraged gifting strategies, trust planning, buy-sell planning and other key areas in the advanced planning market. His approach is unique in that he focuses on offering marketing concepts designed to help you and your clients more easily implement strategies that work. Mark's goal is to provide innovative insurance products, superior services and point-of-sale assistance when needed.

Mark has served on several product advisory committees for Fortune 100 insurance companies and moderated several years for the LUTCF program. He has been married to his wife, Nancy, for 27 years and has 3 children and a German Shephard, Mia.
