VEGETABLES

RULES

ENTRIES ARE LIMITED TO ONE ENTRY PER CLASS PER EXHIBITOR UNLESS OTHERWISE STATED.

- 1. Premiums will not be awarded in any class unless the exhibits are of optimum maturity and free of defects and soil.
- Judges may withhold any premiums for lack of merit or award second or third premiums only if deemed best.
- 3. Read all Premium Material carefully and follow all rules and regulations. Exhibits will be disqualified if entered other than instructed.
- 4. Misnamed varieties will not be considered eligible for premiums.
- 5. In selecting vegetables for exhibition, choose such specimens that would bring the highest market prices.
- 6. Select specimens of same uniformity, size, shape and color. Do not mix varieties.

Premium checks are void after 60 days and WILL NOT be reissued

THE FOLLOWING FACTORS ARE USED FOR JUDGING

- Trueness to variety type. Pick specimens from one variety.
- Pick out a perfect specimen; then select others as similar to it as possible. Never mix specimens or varying maturities.
- Protect from dirt, disease, infection and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.
- Condition and maturity. Be sure exhibits are of high quality.
- Potatoes should not be washed. Remove soil using a soft cloth or brush.
- Tomatoes must have stems; carrots, beets, etc.
 Must have tops (leaves) removed leaving about 2 inches of stem.
- Uniformity in size, shape and color.
