July 29, 2020

Hello,

The American Legion County Fair will be holding a “Something old... Something new...” - Wedding Showcase. This event features Wedding Service Vendors and individuals wishing to sell items. Any proceeds from this event will be used for our Fair Queen Program.

On Sunday, September 27, 2020, we will be opening Building 3, on the fairgrounds, this building has cubicles that have their own lighting and electrical outlets. The space will be \$50 per cubicle with a \$25 deposit required and the rest payable upon arrival. We also are asking that our participants have a giveaway which we will be advertising, and a flyer is enclosed for you to hang in your establishment or community. More flyers are available! If you have a Web page and/or a Facebook page, please mention that you will be attending and what your give away will be.

The American Legion County Fair will create a Facebook event that will list all the businesses and their giveaways. Our Web site will also have this information with a link to the business Web page - if you provide the information.

Attendees will receive a wedding directory in which the contact information for those in attendance will be listed. Those who wish for more than a telephone book style listing may upgrade at a lower price. Can't attend but still would like to be listed as a resource for upcoming brides – no problem. Ad space is available!

We ask that you complete and mail back the reservation form as only 50 spots are available. Please reserve one cubicle per form. If COVID guidelines required that we will be unable to hold this event you will be refunded your deposit (\$25). If we can hold the event and you do not show you will be billed the full reservation fee (\$50).

To view the Building and reserve the space that works best for you please schedule an appointment by contacting Janalee, our Fair Queen Coordinator, at 814-749-7512.
