February

STUDENT OF THE MONTH

Greer W.

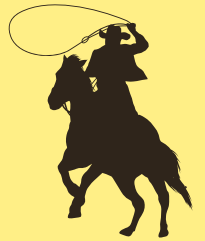

When referring to this 2nd grade student, the first quality that comes to mind is respect. When she addresses her teachers and other adults she always says, “yes ma’am and no ma’am”. She has shared that she has chores at home which include making her own lunch. Two excellent qualities in this young student are respect and independence! Her academics are on point! She listens attentively in class, and this is reflected in her grades. She is very dependable as well. When asked to assist the teacher or another student, she can always be counted on to do what is asked of her. She is also very creative and this is reflected in her classwork as well. There are so many great qualities about Greer W. and this is why she was chosen as the February Student of the Month.

Frida Q. 7th grade

"They will celebrate your abundant goodness and joyfully sing of your righteousness." Isaiah 12:5

The Blessed Sacrament

In the quiet of the chapel,
Where candles softly glow,
We come before your presence,
Your love and mercy show.

The Eucharist before us,
A mystery divine,
We bow in adoration,
Our hearts and souls align.

In silence we adore you,
Our Lord and savior true
In awe of your great sacrifice,
Your love for me and you.

The fragrance of incense lingers,
As we kneel in prayerful grace,
Seeking your divine presence,
In this sacred holy place.

The hours pass unnoticed
lost in your sacred gaze,
In Eucharistic adoration,
Our souls find peace and praise.

We offer you our sorrows,
Our joys and hopes as well,
In this moment of communion,
With you our hearts do swell.

Blessed sacrament so holy,
We worship and adore,
In Eucharistic adoration,
Our spirits are restored.

As we leave this sacred moment,
Carrying your light within,
May we share your love and mercy,
And free ourselves from sin.
