Intelligent Motor Controls, Inc.  
3000 Business Park Circle  
Suite 400  
Goodlettsville, TN 37072

Dear Mr. Lovan,

IMC has provided quality and professional services at Atlantis Hotel and Resort located on Paradise Island, Bahamas for more than 4 years. Our company has used a variety of IMC's services to include: development of preventative maintenance programs, the procurement of the latest energy conservations devices and equipment as well as the design and installation of engineered power quality solutions.

Our company continues to utilize the diverse services of IMC based on their commitment to provide professional services and customized solutions which meet the unique needs of our operations. We have found IMC to be a company that operates with integrity and excellence.

If there are any additional questions, please contact me at 242 363-2000 ext 66800

Sincerely,

Kevan N. Dean  
Director of Emergency Preparedness
