What a Wonderful World

I see trees of green, red roses too
I see them bloom, for me and you
And I think to myself, what a wonderful world

I see skies of blue, and clouds of white
The bright blessed day, the dark sacred night
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces, of people going by
I see friends shaking hands, saying "how do you do?"
They're really saying "I love you"

I hear babies crying, I watch them grow
They'll learn much more, than I'll ever know
And I think to myself, what a wonderful world

Yes I think to myself, what a wonderful world
Oh yeah

Morning has Broken

Morning has broken, like the first morning.
Blackbird has spoken, like the first bird.
Praise for the singing, praise for the morning,
Praise for them springing fresh from the Word.

Sweet the rain's new fall, sunlit from heaven.
Like the first dewfall, on the first grass.
Praise for the sweetness of the wet garden,
Sprung in completeness where His feet pass.

Mine is the sunlight, mine is the morning.
Born of the one light, Eden saw play.
Praise with elation, praise every morning;
God's recreation of the new day.

Morning has broken, like the first morning.
Blackbird has spoken, like the first bird.
Praise for the singing, praise for the morning,
Praise for them springing fresh from the Word.

Let It Be

When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, let it be.
And in my hour of darkness, She is standing right in front of me
Speaking words of wisdom, let it be.

Let it be, let it be.
Let it be, let it be.
Whisper words of wisdom, let it be.

And when the broken hearted people, living in the world agree,
There will be an answer, let it be. For though they may be parted there is
Still a chance that they will see, there will be an answer, let it be.

Let it be, let it be.
Let it be, let it be.
Yeah, There will be an answer, let it be.

Let it be, let it be.
Let it be, let it be.
Whisper words of wisdom, let it be.

And when the night is cloudy, there is still a light that shines on me.
Shine until tomorrow, let it be.
I wake up to the sound of music, Mother Mary comes to me
There will be no sorrow, let it be.

Let it be, let it be.
Let it be, let it be.
There will be no sorrow, let it be.

Let it be, let it be.
Let it be, let it be.
Whisper words of wisdom, let it be.

Quanta Luz

Quanta luz
Neste ambiente
Descendo sobre nós,
Vibrando em nossa mente

Quanta luz
Quando assim em prece
Como a alma cresce
Aos olhos de Jesus

Quanta luz
Quando em oração
A voz do Mestre fala
Ao nosso coração

Quanta luz
Descendo sobre nós
Quanta luz,
Quanta luz.

How Great Thou Art

O Lord my God, when I in awesome wonder,
Consider all the worlds Thy Hands have made;
I see the stars, I hear the rolling thunder,
Thy power throughout the universe displayed.

Refrain: Then sings my soul, My Saviour God, to Thee,
How great Thou art, How great Thou art.
Then sings my soul, My Saviour God, to Thee,
How great Thou art, How great Thou art!

When through the woods, and forest glades I wander,
And hear the birds sing sweetly in the trees.
When I look down, from lofty mountain grandeur
And see the brook, and feel the gentle breeze.

And when I think, that God, His Son not sparing;
Sent Him to die, I scarce can take it in;
That on the Cross, my burden gladly bearing,
He bled and died to take away my sin.

When Christ shall come, with shout of acclamation,
And take me home, what joy shall fill my heart.
Then I shall bow, in humble adoration,
And then proclaim: "My God, how great Thou art!"

Imagine

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
brotherhood of man
Imagine all the people
Sharing all the world

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

I Am One with the Heart of the Mother

I am one with the heart of the Mother

I am one with the heart of Love

I am one with the heart of the Father

I am one with God

- Ave Maria, Kyrie Eleison.

One Day at a Time

I'm only human - I'm just a man (woman).

Help me believe in what I believe and all that I am.

Show me the stairway that I have to climb,

Lord, for my sake, teach me to take, one day at a time.

Refrain: One day at a time, sweet Jesus, that's all I'm asking of you.

Teach me today, to do all the things that I have to do.

Yesterdays gone, sweet Jesus, and tomorrow may never be mine.

Lord, for my sake, teach me to take, one day at a time. □

Do you remember, when you walked among men?

Well, Jesus you know, if you're looking below, It's worse now than then.

There's cheating and stealing -- violence and crime.

So for my sake - teach me to take one day at a time.

One day at a time, sweet Jesus, that's all I'm asking of you.

Teach me today, to do all the things that I have to do.

Yesterdays gone, sweet Jesus, and tomorrow may never be mine.

Lord, for my sake, teach me to take, one day at a time.

Make Me a Channel of Your Peace
(Prayer of St. Francis)

Make me a channel of your peace,
Where there is hatred, let me bring your love,
Where there is injury, your pardon Lord,
And where there's doubt, true faith in you.

Refrain: O Master grant that I may never seek
So much to be consoled as to console,
To be understood, as to understand,
To be loved, as to love with all my soul.

Make me a channel of your peace,
Where there's despair in life, let me bring hope,
Where there is darkness, only light,
And where there's sadness ever joy.

Make me a channel of your peace,
It is in pardoning that we are pardoned,
In giving to all that we receive
And in dying that we're born to eternal life.

Here I Am Lord

I, the Lord of sea and sky
I have heard my people cry
All who dwell in dark and sin
My hand will save:

I who made the stars of night
I will make the darkness bright
Who will bear my light to them?
Whom shall I send?

*Here I am Lord, Is it I Lord?
I have heard you calling in the
night
I will go Lord, If you lead me
I will hold your people in my heart*

I the Lord of snow and rain,
I have borne my people's pain,
I have wept for love of them,
They turn away...

I will break their hearts of stone
Fill their hearts with love alone
I will speak my word to them
Whom shall I send?

*Here I am Lord, Is it I Lord?
I have heard you calling in the
night
I will go Lord, If you lead me
I will hold your people in my heart*

I, the Lord of wind and flame
I will tend the poor and lame
I will set a feast for them
My hand will save:

Finest bread I will provide
Till their hearts be satisfied
I will give my life to them
Whom shall I send?

*Here I am Lord, Is it I Lord?
I have heard you calling in the
night
I will go Lord, If you lead me
I will hold your people in my heart*

Amazing Grace

Amazing grace, how sweet the sound
That saved a soul like me
I once was lost, but now am found
Was blind, but now I see

'Twas grace that taught my heart to fear
And grace my fears relived.
How precious did that grace appear
The hour I first believed.

Through many dangers, toils, and snares
I have already come
'Tis grace hath brought me safe thus far
And grace will lead me home.

The Lord has promised good to me.
His word, my hope, secures.
He will my shield and portion be
As long as life endures.

Yea, when this flesh and heart shall fail,
And mortal life shall cease.
I shall possess within the veil,
A life of joy and peace.

The earth shall soon dissolve like snow.
The sun forbear to shine.
But God who called me here below,
Shall be forever mine.

When we've been here ten thousand years
Bright shining like the sun,
We've no less days to sing God's praise,
Than when we'd first begun.

Rise and Shine

The Lord said to Noah, there's gonna
be a floody, floody.

Get those children out of the muddy,
muddy,

Children of the Lord.

Refrain: (Sing after each verse)

So rise and shine and give God the
glory, glory.

So rise and shine and give God the
glory, glory.

So rise and shine and give God the
glory, glory.

Children of the Lord.

The Lord told Noah to build him an
arky, arky.

Build it out of gopher barky, barky.

Children of the Lord.

He called for the animals. They came
in by twosie, twosie,

Elephant and kangaroosie, roosie

Children of the Lord.

It rained and poured for forty daysies,
daysies.

Nearly drove those animals crazy,
crazy.

Children of the Lord.

Then Noah, he sent out. He sent out a
dovey, dovey.

Dovey said there's clear sky abovey,

Children of the Lord.

The sun came out and dried up the
landy, landy.

Everything was fine and dandy,
dandy.

Children of the Lord.

The animals they came out. They
came out by threesie, threesie.

No one told them 'bout the birds and
beesies.

Children of the Lord.

And that is the end of, the end of my
story, story.

Everything was hunky-dory, dory.

Children of the Lord.
