

MASTERMIND AGENDA

1. **Glow + Grow** (Up to 20 minutes) Each attending member will share a brief success story. Tell us what's working or worth celebrating or what you've learned and earned. We're happy for you!
2. **Hot Topic** (Up to 20 minutes) Discussion of topic as agreed by group. May include case studies, demonstrations, tools or whatever is required.
3. **Laser Coaching/Masterminding** (Up to 30-45 minutes) Each member usually has between 2-5 minutes to get coaching, feedback, brainstorming and ideas. Until you experience this process, you may not realize how much can be accomplished in a very short time. Super valuable!
4. **Wrap Up (Up to 10 minutes)** Feedback and take-aways. Fun stuff!
