

## **St. Agnes Catholic Church Funeral Meal Information**

Our Funeral Dinner Coordinator, Joan Merrigan-Hiller and other members of our Funeral Dinner Committee, will prepare a luncheon for your family members and guests. Please indicate on the funeral preparation form an estimated number of persons you believe will attend the funeral luncheon. Please take into consideration the day of the week, whether the luncheon will be immediately after the Mass/Service or if it will take place after returning from the cemetery. All of these considerations will affect the number.

Usually, we suggest including family and a few close friends in the count. The Funeral Committee incurs a cost of **\$3.00 per planned guest** to prepare the meal.

A donation the day of the meal, to cover this service, is greatly appreciated.
