

Galatians and Romans a Catholic Bible Study

Paul's letters are sometimes difficult to understand. We need to read them from the perspective of his own time. In fact, we hear very little from Galatians so let's get together and discover more about the early church and the developing theology.

We will begin our study on Monday, September 21st at 7:00 pm in the church basement. We will read and discuss these letters from Paul at a slow pace so that everyone feels comfortable. Cost of the study books will be \$7.50 each. Please contact Kathleen Roehl 632-7407 immediately to order a book. Everyone is welcome.
