

Tap

A dance form characterized by rapid foot-tapping movement. The dancer wears special shoes with metal plates so that when the toe or heel is tapped on the floor it makes a distinctive percussive sound. Tap routines encompass complex rhythmical patterns and syncopated phrasing and can be performed to a wide variety of musical styles.

Jdance Performance Studio offers a variety of tap syllabi including Glenn Wood Tap, British Ballet Organization & Tapatak Oz. We put the “fun” in tap, whilst engaging the students and giving them a firm understanding of rhythm and it’s endless possibilities.
