Celebrate Our Tree Of Life!

Dear Member and Friends of New Springville Jewish Center:

A number of years ago, a beautiful Tree Of Life was donated to our Shul. On it, are one hundred fifty brass leaves that can be engraved to commemorate a Simcha, or any significant event in your family.

The price for purchasing a leaf is \$72.00; this includes the cost of custom engraving of the leaf. The profit from your purchase will help our Shul continue to provide services to the community.

Please fill in the information below and mail it to the above address. Checks for \$72.00 per leaf should be made out to New Springville Jewish Center.
