DIRECTIONS

Leave the recreation ground via the pedestrian access and turn right into Leicester Road in the Wistow direction. Leave the village and after quarter of a mile cross the road with great care before the bend and head straight on still in the direction of Wistow crossroads and Wigston. After three quarters of a mile upon reaching the cattle grid turn left and join the bridle path across the fields behind Fleckney. Continue straight ahead taking in two minor inclines until you reach the top of the second incline. From this point continue for approximately 100 metres before crossing the hedgerow via a stile. Now run diagonally downhill and across the field, through a bridle gate, across the next field and finally through a gate to emerge on the Kilby to Fleckney road approximately midway between the two villages. Now turn left and follow this road for approximately a mile and a half to re-enter Fleckney via Kilby Road. Take the first left Coleman Road and follow this for its entire length until you return to Leicester Road and re-enter the Recreation ground.
