# KNIGHT LIFE

**Our Savior Christian Academy School Newsletter**

## Serving the Lord through OSCA

We have an amazing ministry staff serving Our Savior Christian Academy students and families. Where would we be without their dedication and love? In this issue of the Knight Life, we shine the spotlight on this incredible bunch of individuals who lovingly serve. Do you need a little Jesus in your mid-week? Pastor Block and Pastor Ratcliffe's chapel service is a sure way to connect with Jesus every Wednesday morning. Pastor Block and Pastor Ratcliffe lead all attending in prayer, song and worship. Connecting with children and families to share the hope and good news of Jesus Christ is a joy for both Pastor Block and Pastor Ratcliffe.

Do you want to be more connected? Superintendent Lavonne Pappert and Principal Holly Anderson serve the ministry through their teaching and administration gifts. Overseeing a growing school is a full time job. However, throw in time spent preparing and teaching Sunday bible study, tutoring students, and anything else needed to serve the mission, is only a small portion of what these two accomplish every week. Do you want to know more about Northland Lutheran Outreach? Sylvia Ratcliffe, married to our very own Pastor Ratcliffe, recently joined the ministry team as Northland Lutheran Outreach (NLO) coordinator in January. Her spiritual gifts are Music, Serving, Missionary, and Leadership. She also serves OSCA as the music instructor at the Platte City campus.
