Our Savior Christian Academy School Newsletter

Spreading the Good News

Our Savior Christian Academy shares the love of Jesus with young children and instills in each student a love of learning and desire to serve the Lord through a Christ-centered curriculum. "At OSCA, children of all ages hear about Jesus as they learn the basics of life," stated Pastor Block, Senior Pastor of Our Savior Lutheran Church.

Over the years, OSCA has continually provided excellence in faith-based education to students in grades PreK-High School. Jesus is what separates our programs from public school's because He is in every single plan. Daily devotions and weekly chapel services proclaim Jesus as our Lord and Savior, which provides a strong learning foundation for students. "Children are positioned to soak up so much of the world," noted OSCA Superintendent Lavonne Pappert. "I continually pray that we can provide an atmosphere where Jesus centrally resides and they are influenced by the Holy Spirit."

Since 2007, OSCA has been a place that families call home and where strong relationships between parents/caregivers and educators are built. Being a partner in your child's education is one of the key components of the OSCA program. As beautifully stated by an OSCA parent, "(We) feel so blessed to have partnered with OSCA to educate our preschooler not only in math, the alphabet, colors, shapes, numbers, but also in learning about Jesus and what it looks like to love him and walk with him."

How do you share the OSCA story?

"I tell others about OSCA's small class sizes and how the superintendent is involved in my children's school plan"- Amy Ashelford

"I love to share that OSCA has continually provided excellence in faith-based education for over ten years."- Julie Kurtz

"We feel very blessed to have teachers, staff, administration who love my children. (They) have learned so much this past year and previous years! Thank you for caring!"- OSCA Parent

"I let others know that OSCA is a great school centered around Jesus and that we have amazing teachers."-Darcy Oetting
