OSCA STUDENTS PREPARE FOR APRIL 6 EASTER PRODUCTION

As Easter approaches, Smithville students are preparing an Easter play called Celebrate Jesus. It focuses on the life of Jesus as an adult, from baptism to resurrection. Teachers and students are providing their gifts of music, acting, and theater production in order to make this original production a success. "I hope that students will become more comfortable being in front of people but the ultimate goal is that as they act out the actions of those who surrounded Jesus during his ministry and that they will gain a deeper understanding of the man who lived on earth for our salvation," stated OSCA middle and high school English Instructor Tammy Schrader. Schrader is not only directing this production, but also wrote the play.

"But the angel said to the women, "Do not be afraid, for I know that you seek Jesus who was crucified. He is not here, for he has risen, as he said. Come, see the place where he lay." (Matthew 28:5-6 ESV)

"Many have heard the parables and heard of the miracles but participating in these scriptures will enable all students to embrace the truth and comprehend who Jesus is," stated Schrader. School, church, and community members are invited to attend this Easter play. "It our hope that everyone who participates and everyone who enjoys our show will come away with a deeper understanding of God," stated Schrader. Please plan to join us on Saturday April 6 at 4:00pm at the Smithville campus to witness this amazing Easter production. Admission is free.
