OSCA WORKS TOGETHER TO SUPPORT CHILDREN AND FAMILIES

"The Academy Board has recognized the need to grow the level of family care as the school grows," explained Academy Board chair Julie Kurtz. "So we are very excited to have Will Pemberton as our newest senior administration member," Kurtz notes. "His experience in teaching and senior administration responsibilities fits nicely into the OSCA mission of caring for children and families." Pemberton will partner with Lori Albright in managing the daily operations at both OSCA campuses. "Will and Lori bring a management and leadership style conducive to the mission of the school," stated Superintendent Lavonne Pappert. "Both are willing to go the extra mile in providing excellence."

**So then, as we have opportunity, let us do good to everyone,
and especially to those who are of the house of faith.**

Galatians 6:10

Will and Lori will divide their time between both Platte City and Smithville locations and will meet with Superintendent Pappert weekly to discuss current issues as well as future plans. In addition to managing the daily procedures, each will also find themselves in the classroom working to build relationships with those they serve. Lori is scheduled to teach 7th-10th grade English, while Will is scheduled to teach middle and high school religion and elective courses. "With Will and I focused on day to day operations," noted Albright, "Superintendent Pappert has more time for church side responsibilities which leads to better care for children and families."
