OSCA FINDS PEACE IN JESUS CHRIST AMONGST CONSTANT CHANGE

written by Superintendent Pappert

COVID-19 has impacted the daily lives of people worldwide, and has fueled a sense of uncertainty for many. Public events have been cancelled, schools and churches are closing, and hospitals are rapidly preparing for an unprecedented influx of patients. How has OSCA strategically used this time to thrive in the midst of this challenge?

"Have I not commanded you? Be strong and courageous.

**Do not be frightened, and do not be dismayed, for the Lord your
God is with you wherever you go." - Joshua 1:9**

Learning continues. Parents have put forth amazing effort to help facilitate at home lessons, while teachers have literally learned technology instruction overnight. Creativity abounds. Sewing lessons turned into creating masks for local healthcare workers. National Honor Society unloaded their fundraising snack bar to donate food to those in need. Previous instructors from OSCA volunteer their time working with families to help educate their children. Romans 10:11-12 states, "Scripture reassures us, no one who trusts God like this - heart and soul - will ever regret it. It's exactly the same no matter what a person's religious background may be: the same God for all of us, acting the same incredibly generous way to everyone who calls out for help."

We all are adjusting to a new normal in what seems like ever-changing time. We rest assured that we can thrive in the midst of chaos because there is one constant that never changes, which is the love, mercy and grace of Jesus Christ.
