OSCA celebrates 15 years of Journey and Adventure

Will you Journey to the Fall Fair with us? This year's annual fundraising event is honoring OSCA's 15th year anniversary in offering excellence in faith-based education. And what a journey it has been! OSCA holds an annual fall fair to raise awareness and funds needed to keep our faith-based doors open. This year we are featuring a 24' rock climbing wall, a 73' inflatable obstacle course, laser tag, quad jumping and so much more for all ages to enjoy. The Travel Cafe will offer hot dog tastings from famous cities such as Detroit, Chicago and Seattle. This event will also feature silent auction items which will include signed Kansas City Chiefs' jerseys, a personalized airplane ride, Site and Sound tickets and much more. OSCA spirit wear will also be available for purchase while supplies last.

HARVEST HOSTS

OSCA thinks outside the camper for fundraising

Have you ever pulled into the parking lot at the Smithville campus only to find a recreational vehicle parked in the back? If so, you have witnessed an OSCA fundraising effort called Harvest Hosts. According to the Harvest Hosts website, "Harvest Hosts is a membership program that provides access to a network of wineries, farms, breweries, museums and other unique attractions that invite self-contained RVers to visit and stay overnight".

OSCA opened up our parking lot and adjacent green space as a Harvest Hosts site in the summer of 2018. The school has not only collected hundreds of dollars in donations since 2018, but in addition, over 8,000 folks have seen our church and school via the Harvest Hosts website. We have also had Harvest Hosts guests attend OSCA fundraisers, church and have even referred our school to a friend.

We currently hold a 5 star rating on the Harvest Hosts website. A huge thanks to Heather Accord, an OSCA mom who helps manage the daily needs of our guests. "Heather has been highly instrumental in taking our Harvest Host site to the next level", stated Superintendent Pappert. "We have hosted travelers from around the United States and have been truly blessed by serving all those who call our little bit of paradise home."
