YEARS

## OSCA STUDENTS THANK LOCAL BUSINESSES

On a sunny cold morning during National Lutheran Schools Week, nine OSCA students went out into the Smithville community to thank local businesses for their services. Students visited Smithville's police and fire departments, Cuts Plus, John Deer, Major Lumber, and Burton's Bait Shop, just to name a few.

"Thank you (OSCA) for the gift! Your students are amazing," stated Cornerstone Coffee owner Leah Shipley. This locally owned coffee shop supports OSCA through student internships. Thank you to Donut Palace for providing the 10 dozen donuts given to our home town businesses.

## The Herzog Foundation Visits OSCA

Pastor Darrell Jones, President of the Herzog Foundation, visited our Smithville Campus during OSCA's January Teachers Assisting Teachers gathering. Pastor Jones spoke to OSCA teachers and senior administration regarding the impact they are having on children and families in our community. "You have been called for such a time as this," stated Pastor Jones. He discussed the impact the Church has had on communities for generations. From the building of hospitals to educating children through Sunday school. "The public school was never designed to disciple our children in the teaching of Jesus Christ. It is the calling of faith-based schools and local churches," stated Jones. The Herzog Foundation's mission is to catalyze and accelerate the development of quality Christ-centered K-12 education so that families and culture flourish.

## OSCA Students Witness Unbelievable Field Experience

Middle and high school students visited Union Station's featured exhibit "Auschwitz. Not Long Ago. Not Far Away." on Tuesday, January 25th. The significance of Auschwitz has been a topic of extensive discussion and research in this year's history class. Students have been studying slavery, racism, and the cost of freedom from the biblical point of view in religion class as it pertains to the book of Galatians. "What an unbelievable experience," stated one parent volunteer. "I am thankful the students got to witness this exhibit."

## New Event Center Being Researched

A building committee has been formed and an architectural firm has been selected to kick off phase one of a new event center proposed for the Smithville campus. This phase of the project will examine the needs of Our Savior Lutheran Church, OSCA, and community, and also outline potential costs. Watch for updates in future newsletters.

## WHAT DOES YOUR CHILD EXPERIENCE AT OSCA?

Jesus  
Excellence in Faith-Based Education  
True Friendships  
Weekly Student-Led Worship  
A Valued Partner  
A Safe and Loving Environment
