YEARS

## OSCA STUDENTS HELP SHAPE CLASS OFFERING

Over 70 OSCA students attended the Electives Lunch to discuss classes for the 2022-2023 school year.

"Students feel ownership when given the opportunity to shape class offerings," stated Smithville Principal Pemberton. Elective class suggestions ranged from outdoor activities to dual credit academic classes and life skill classes such as personal finance. "It was a real team effort," stated Pemberton. Student voted for their top three options at the end of March. Thus, giving administration a starting point for elective class development. The Elective Lunch was put into place in 2019 and continues to be a lunch all students enjoy.

## OUR SAVIOR CHRISTIAN ACADEMY REMAINS FULLY ACCREDITED AFTER RECENT VISIT

After a year of preparation, and a 63,000 word document with over 1,000 pages of evidence, OSCA has successfully completed the validation process and remains fully accredited! The accreditation team's report captured how individualized instruction is visible throughout all grades and how instructors provide both support and challenging instruction. The report also noted how parents are included in building and maintaining the vision and direction of the school, which is focused on learning.

The highest scores the accreditation team could assign were in areas of leadership and how all work to the benefit of excellence in education while sharing the Gospel. The team witnessed how students take an active role in caring for the school building as well as each other. As one member wrote, "There appears to be a genuine desire to care for one another. These kids want to be here. It is evident." Thank you to all for your prayers over this past year and during our site visit. God bless our precious school.

## Student Activities Club Kicks Off With Skate Party

On March 18, OSCA middle and high school students kicked off the Activities Club with a roller skating party at Northland Rolladium Skate Center. What a blast!

"The Activities Club allows students to gather together outside of school," stated Principal Pemberton. Mr. Pemberton along with OSCA parents Amy Ashelford and Shelly Barnes are currently planning other club events. Interested in joining? See the Smithville campus's front office for details.

## Lenten Season Leads Us To Easter April 17

All are invited to join us in worship during the Lenten season, which concludes with Easter on Sunday April 17. Mid-week Wednesday evening 6:30 services are now through April 6. Holy week services Maundy Thursday on April 14 and Good Friday on April 15 start at 6:30 at both the Platte City and Smithville campuses.

Easter services start at 9am Platte City, 10am Smithville and 11am Platte City coupled with egg hunts, a bake sale and Easter Breakfast. Check out the school calendar for details.

## Save The Date! Middle School Year End Celebration

The Student Activities Club is currently planning a year-end celebration for middle school students at the Smithville campus.

All middle school students are encouraged to attend. Please place May 12th from 3:30-5:00pm on your calendar and watch your email for event details.

## Pastor Bryan Wolfmueller Speaking At Our Savior Lutheran

We are overjoyed to host Pastor Bryan Wolfmueller on Thursday, May 12th at our Smithville Campus as he speaks on being a public Christian in today's world. Speaking event tickets available for \$35. Dinner tickets \$125. Call/text Julie Kurtz (816.289.4104) or see the Smithville campus's front office for tickets and questions.

**MISSION  
STATEMENT** 

Growing faith in Jesus through scripture
