Educating Leaders for Tomorrow

Our Savior Christian Academy does not stand down when it comes to developing tomorrow's leaders. "Whether a student chooses college, trade school or another form of continuing education, the Academy works to instill a love of learning through excellences, while being immersed in Holy Scripture," stated Superintendent Pappert. OSCA graduate Kayla Kisker ('20), puts it this way, "Because of OSCA, I am very equipped spiritually to deal with the world, which is the most valuable tool you can have." A number of graduates also noted that with the high-level of education OSCA provides, it makes the transition from high school to college much easier. Kianna Pappert ('20) advised underclassman "by working hard at OSCA, everything else will be easier moving forward." OSCA works hard to prepare each student for their next steps. This was true for 2021 graduate Jack Kurtz. "When I wanted a more advanced math curriculum my senior year, OSCA provided it. It is through this advanced learning that I was prepared to fill my current role as math tutor while studying engineering at Metropolitan Community College." Each student is special to us. You may not know each graduate by name, but you do know who they are. An amazing group of hard working young adults that carry their armor of God with them daily and who value the experiences and relationships had at their Christian Academy.

Calling All OSCA Alumni!

Are you interested in telling others how OSCA has prepared you for your future? If so, we would love to have you be present for a student Q&A session during National Lutheran Schools Week January 22-28, 2023. Lunch provided! Call/text Julie Kurtz (816.289.4104) if you are interested in sharing your "life after OSCA" experiences with current OSCA students, parents, and staff.

Please pray for all our OSCA alumni for God's continued guidance and blessings.
