GROWING FAITH IN JESUS THROUGH SCRIPTURE

Open Enrollment for 2023-2024

Our Savior Christian Academy is now offering open enrollment! If you know of a family seeking excellence in faith-based education, please share the amazing things you have seen at OSCA! Any questions regarding curriculum, financial arrangements, school tours or any specific questions about OSCA, email us at oursavioracademy@yahoo.com. Class sizes are limited! Enrollment forms can be found on the school website under the forms tab.

"We wanted to send a message thanking you for taking the time to give us a tour of Our Savior Academy last week. We appreciate the kindness, care and professionalism from everyone we met."

OSCA Celebrates Famous Author's birthday

One fish, two fish, red fish, blue fish. We all know the charming rhymes of Dr. Seuss.

However, it was the OSCA preschool class who not only learned these beloved verses, but also got to see, taste, and experience the glorious creativity of Dr. Seuss. "We plan for this day every year from making crafts in art, doing math by working on graphing and reading Dr. Seuss books all week long," noted OSCA preschool teacher Mrs. Hall. "It's fun preparing for his birthday week."

The teachers love seeing the kids' faces when they see their friends dressed in their favorite character. Kids wore shirts showing off Lorax, The Grinch, One Fish Two Fish, Thing 1 & Thing 2, Cindy Lou Who and many "Cat in the Hat" hats. The morning of Dr. Seuss's birthday, the class had deli ham and green eggs for their snack while the teachers read the book, "Green Eggs and Ham". "Some students wouldn't even try the green eggs," stated Mrs. Hall, "but there was a lot of laughter watching the ones that tried a bite and liked it."

OSCA Drama Production of Friends Coming in April

This year's spring drama production will take you back almost thirty years to when we first met the Friends gang- Rachel Green, Phoebe Buffay, Monica Geller, Ross Geller, Joey Tribbiani, and Chandler Bing. The Friends comedy showed us that we can seek out and secure relationships that are life-long. We see that same concept being played out through children at OSCA.

Middle and high school students have been working on this original production since January with students being involved in all aspects of the play, including lighting design, script development, and set construction.

The play has over 25 actors along with the back of the house team with many of them new to theater. But don't let this discourage you from coming out to see the play. "The students are willing to put themselves out there, hear constructive criticism, and respond with change. They are developing the greatest life-skill an employer could ask for," stated production director, Mrs. P.

Tickets will be available for \$15 starting March 14 through the school office. Show times are April 20 and 21 at 6pm at the Smithville campus. There will be opportunities to purchase front row seating, engage in prize giveaways the night of the performance and more! All set items will be sold the final night of the performance.

Thank you to all of the incredible parents and volunteers who donated set items, costumes and more! See you at Monica's!

College Campus Tours!

OSCA will welcome Concordia University Nebraska to the Smithville campus on Friday March 10. Concordia is set to visit with our high school students regarding college opportunities found at Concordia University. In addition, high school students will tour the campus of University of Missouri- Kansas City on Friday March 17 and the campus of Metropolitan Community College on March 28. "We are so grateful to be able to offer these learning opportunities to our students," stated Superintendent Pappert.

High School Prom

Don't forget to purchase your prom tickets! The OSCA High School Spring Prom- Red Carpet- is scheduled for Friday March 31 at Restoration 1894 in Liberty.
