In the unlikely event that parents or caregivers cannot work alongside staff and administration as a team, Our Savior Christian Academy holds the right to terminate services. Teamwork is defined as the combined action of parents and staff working effectively to the benefit of educating children. Any kind of harassment, intimidation or bullying by a parent or caregiver cannot be tolerated.

Harassment and intimidation can include but is not limited to; incessant email traffic, phone calls, demands that supersede that of a corporate school environment, denigration of the school's reputation or that of staff, creating a stressful situation or environment, the spread or accusation(s) using gossip or false information, and exhibiting threatening behaviors both verbal and/or physical.

Continued enrollment is at the discretion of Administration.
