

Mary,

We are "head over heels" in love with Dylan!! He has filled a void in our hearts beyond words! Chloe' is breathing well (Phew!!) ... and Dylan is playing, eating, sleeping (in basket, in our bed) and using the newspaper already! You did a great job getting him nurturing and preparing him to come into "our world"...

Please send "puppy updates" ... for us, you are the "Puppy Whisperer!"

Thanks and Warmest regards! MARC, PAM, CHLOE' and DYLAN Delisle

OMG ... You gotta' see!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
