## I FEEL THE LOVE HERE! GOD MOVES IN MIDLAND TX!

It was HOT in Midland TX. On that day at Glenn Apartments there was NO SHADE and lots of heat but as the music rocked we grew to a crowd of 100+ from the apartment complex. Many onlookers gathered in the distance as well, and many heard the word of God even from the front yards of their apartment complexes. We distributed toys, candy, prizes and over 50 drawings for toys and MP3 players. We gave shirts and underwear and fed 75 meals (Hotdogs, lemonade and chips) On this day The Salvation Army canteen was called into service not as a hurricane emergency vehicle but as a soul saving station meeting the physical needs of the people of The Glenn Apartments. Captains

Russ and Linda Keeney together partnered with Tim Sutton Ministries to help us meet the spiritual needs of the people as well. We sang and praised, and Captain Linda Keeney testified of the love of God to the crowd that gathered. After we praised I ministered the word of God and 32 men, women boys and girls came to Jesus. One lady said afterwards "I Can feel the Love of God here in this place." She said to us, "Thank you for what you did." She said, "sometimes it just takes a little to make the difference in peoples lives." May it always be as we take the love of Jesus to the streets! God's love overcomes sin!

### GOD MOVED IN THE REVIVAL SERVICES AS WELL

The Lord moved mightily in the services at the Salvation Army in Midland, TX. Each night men, women, boys, and girls were saved or re-dedicated their lives to Jesus! God moved on their hearts. In one service several prophecies began to flow in the sermon as God spoke to people under the anointing. People began to weep. The Holy Spirit declared, "Just one touch, Just one touch!" As HE proclaimed this he had me just physically touch the people around the room. One girl Jessica began to weep as the power of God hit her and the Spirit spoke to her. (read her testimony just one touch on page two)

# “Testimonies, Local Evangelism, and Healing Power!”

## JUST ONE TOUCH FROM JESUS!

I received this testimony from Jessica after we returned home from Midland, TX. “The week before you showed up in Midland, TX I was going through a lot and struggling. It felt like my world was crashing down around me and I didn’t know which way to go. I was struggling with my faith and I was struggling with being a single mom. I was struggling with a decision that I in my life. I knew it was the right decision but I didn’t want it to be the right decision. Sunday morning came and you preached in the service. We had lunch then you preached at the revival service after lunch. I wanted to go home but something was telling me to stay. I stayed and listened and when you started preaching you pointed right at me. You told me that you knew (the Holy Spirit knew it) I was going through hell on earth. That’s when the Holy Spirit spoke to me and told me that everything was going to be ok. He told me that I don’t need to worry about anything because HE will provide. Right then I knew that I was going to go to every service that week and see what God had in store for me. Now my faith is stronger than ever. I’m so glad that God sent you to Midland.” Praise the Lord I am so glad God sent me too! He knows exactly where you are too! It only takes one touch from Jesus to change your world! Let him touch you too!

## EMAIL TESTIMONY JESUS IS THE HEALER!

I received this testimony some time ago, but felt I needed to run it again. Don’t forget the same God who touched this child still heals today! He will heal you too! This mother writes, “When you were in Madisonville speaking at our church you prayed for my hearing impaired son. A few days after we spoke he had one of many surgery’s to keep his ears working. ( He is missing the muscle that closes the Eustachian tubes) His ear drainage system is non functioning. He had two kinds of hearing loss: nerve damage from the Warrensburg’s syndrome and conductive from scar tissue building up and damaging the ear. After the surgery the doctor told us that our son would probably have to have hearing aids, and he doubted that the surgery would help much. At the post op recheck the doctor said “We have a normal hearing report here!” My mother and I said “Praise the Lord!” and then the doctor embraced me and almost teared up! You see, he has never had a completely normal hearing report! At the best he would improve some after surgery and then go right back where we were. My son who is 6 will tell you with a big smile that Jesus has healed him!” Amen! God will touch you too! He is the healer of all our diseases! III John 2 says, “Beloved above ALL THINGS I wish that you prosper and be in health even as your soul doth prosper!”

## Mobile Food Pantry Showing God’s Love!

God continues to allow us to be part of our local evangelism teams at Agape Faith Church. Recently we helped to conduct two Mobile Food pantries at Peace Haven Mobile Home Community, and Rolling Hills Apartments. As always not only do we bless the people but we preach the word to them! At these two events brother Tim Was blessed to bring the word and see people come to Jesus. Praise the Lord for a church with a vision to reach the lost. What a blessing to Go and preach, but thank God when we go they don’t just hear about the love of God, they see the love of God in action!
