MARDI GRAS MOBILE 500 SOULS COME TO JESUS

When I prayed about Mardi Gras this year I heard "Go to Mobile" In past years we had been involved with teams at Mardi Gras in New Orleans, but this year the Lord directed me to Mobile, AL. I called Pastor Chris Patrick at Wings of Life Ministries in Mobile and he was excited to connect with us to win souls! I was privileged to help train the Bible college students at Wings and we took them to the streets! On the first Saturday over 115 people came to Jesus. On Fat Tuesday the teams hit the streets again! It was an incredible harvest! There were thousands of people on the streets for this last day of Mardi Gras. Families, teens, homeless, party goers, you name it! They heard the good news of Jesus. At one point Pastor Chris said the teams started hitting families who had gathered to grill at the parades. They were praying for as many as 15 family members at one time to come to Jesus. God is so good! On Tuesday alone there were almost 400 people that came to Jesus. Total Results: Over 500 were saved! The harvest truly is ripe and God is bringing it in!

SPECIAL WEAPONS AND TACTICAL FORCES FOR JESUS!

SWAT ATTACK THOMASVILLE NC

At least 30 fishers of men turned out to pull souls from the devil's kingdom at the first SWAT Attack of 2010 in Thomasville, NC. The believers of Christian Life Center and Pastor Richard Brown joined us in the streets as we took the message to Doak Park in Thomasville. We were surrounded by houses and apartments on three sides. As we assembled our stage and trailer workers canvassed the neighborhoods advertising "Free Stuff" Fish always come for bait! We distributed toys, candy and prizes that included drawings for MP3 Players, Bikes, Wal-mart gift cards, cameras, and even a skateboard. We distributed hot dogs, sodas, and free t-shirts. The music began, followed by worship, testimonies, and the word! The PO PO showed up shortly after we started, and I praised the Lord for it! I love it when the police show up because it tells me that the devil is under pressure! By request we turned down our sound one half of one notch, but kept on rolling! When the word came forth 18 souls including men, women, boys, and girls called upon Jesus! During the service the policeman showed up again, but not to shut us down. He joined in the service. He told the Pastor, "you go for it! This is what we need!" He pointed to the church across the street and said, "I am the associate Pastor over there!" Hallelujah! That's just like God! SWAT Attack outreaches continue to take out the devil's kingdom and bring souls to Jesus!

On Sunday Morning the church was packed at Christian Life Center! SWAT Attack weekend always culminates with a report to the church and an excitement as the church hears about the harvest of the Saturday outreach! I preached from Matthew 9:35 and told them Jesus is still among the people! He always goes where people are hurting! God moved! One man testified afterwards, "I was hurting and it was if you spoke right to me!" He said earlier in the week his wife kicked him out. He came with a relative to the church on Friday and joined us for the whole outreach weekend. God touched his life! We prayed together and he rededicated his life to Jesus! As he prayed and declared "now I am going to heaven" he began to weep. Jesus still goes where people hurt! He is still among the people!

THE FIRST TWO OUTREACHS OF 2010 BRING IN SOULS!

SWAT ATTACK MOORESVILLE NC

Once again God moved as we took SWAT Attack to Freedom Christian Center in Mooresville, NC. This was the second outreach of 2010. Piedmont Point apartments was changed as we took Jesus to the street! Almost 30 workers from the church joined us with Pastor Gary and Rendi Kolstad. A crowd of over 100 turned out as the power of God fell! We always distribute candy and toys and the fish come for the bait! The kids went wild as the candy and toys began to fly! In addition to the small toys we had 32 prize drawings which included 2 bikes, 2 MP3 players, Wal-Mart Gift Cards, Cameras, and Skateboards. 150 hotdogs were served, and t-shirts and underwear were distributed as well. The music roared and when we began to sing "its all about You Jesus" the power of God fell! We watched as the anointing literally drew people from their homes to the street. The youth performed and awesome drama, testimonies went forth, and the word was preached! Some testified of God's deliverance from dealing drugs. Another testified of God's provision as he always met their needs. Another testified of the life they had before Christ and how Jesus delivered them from the club scene. The word was preached and the audience was reminded that God knows our hurts and exactly where we are! When the invitation was given 16 children, teens, and adults came to Jesus! One young man met me at my car as I was leaving. He said, "Sir thank you for what you did today at Piedmont Park!" I Thank Jesus for WHAT HE'S DONE!

What an excitement on Sunday Morning at Freedom Christian Center! The SWAT Attack outreach weekend always culminates in a report of the harvest to the church! Our purpose is to stir the church for the harvest to get them out of the four walls into the streets! On Sunday morning a packed church heard, and experienced the testimony of what God did! We were reminded where Jesus would go. (He would go where people hurt) I told the church we did it! We went where Jesus would go as we took the gospel to the streets and to Piedmont Park! Jesus goes where people hurt! At least 3 families showed up in the church from the Saturday outreach, and at least 28 others came for prayer at the end of the service! One lady wept as she called upon Jesus for salvation. Jesus was there and touched them too! Jesus still comes to church!
