### NEW ORLEANS COMMUNITY POLICING AGENDA

#### TEN POINT PLAN

1. Establishment of a Community Policing Commission
2. Inclusion of an Independent Police Auditor or monitor selected and accountable to the Community Policing Commission
3. Extensive recruitment of New Orleans Police Officers from New Orleans and specifically the African-American Community
4. Revise NOPD police training to reflect, incorporate, and enhance community policing
5. Assign NOPD Officers to be embedded or station permanently in each police district
6. Establish a community program on "Know Your Rights" as it relates to community policing
7. Continue to encourage and provide Community "Self" Policing
8. Require NOPD and New Orleans Police to sponsor and/or co-sponsor activities within each police district
9. Memorandum of Understanding between the various New Orleans Police Agencies
10. Require District Attorney or Independent Prosecutor to prosecute police officers who are in violation of the law
