

**Culdee Presbyterian Church
2024 Harvest Festival
Saturday, October 19th**

Harvest Festival time is quickly approaching and planning is well underway!

10:00: Country Store with Biscuits, Coffee & Conversation

10:00: Yard Sale

11:00- 2:00: Yummy Hot Dog Lunch

1:00- until: Live Auction

3:30: Chicken & Dumpling Drive-Through Opens

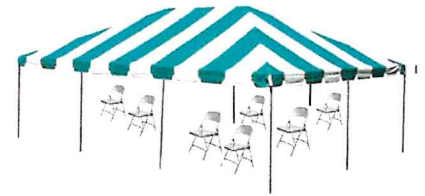

4:00-7:00: Chicken & Dumpling Dine-In Opens

Quilt Raffle and 50/50 Raffle will be during Dine-In hours.

Chicken & Dumpling Dinner is on the way!! Culdee has purchased a commercial mixer and sheeter for the kitchen which can be used to mix and roll the dough. After being taught how the machinery worked, a delicious chicken and dumpling dinner was prepared and served to the initial group of volunteers. This equipment will serve Culdee for generations to come and can be used in many ways to continue God's work. As always, many hands are needed to make dumplings with Christian love. Please join the fun!

Items are beginning to gather in the Session room to be tagged and prepared for this year's auction. To help this be a blessing for the community, everyone is encouraged to solicit or purchase items for donations. Handcrafted items are always a huge hit and appreciated. Items may be left in the Session room or Sunroom any time. Please leave your name and number with the item in case there are questions. Evening hours for drop-off will be Tuesday-Thursday, Oct. 8-10 and again Thursday and Friday Oct. 17-18 between 4:00-7:30 pm. The auction will begin at 1:00 and continue until all items are placed. Help make it fun with donations and participation. Bring a friend.

There will also be a yard sale beginning at 10:00 am. If you have items that are ready for a new home, please bring them to the Session room and Sunroom, too. Culdee will not be selling clothing or shoes.

Mary Ruth Whitaker is once again opening the Country Store. She needs canned goods, homemade items, and baked goods. The Country Store will have your breakfast as well. They will serve ham and sausage biscuits as well as coffee. Join her behind the table as a worker or in the morning for coffee and conversation!

The Culdee Quilters have outdone themselves by making 5 beautiful extended lap quilts to raffle, allowing more people to be wrapped in Christian love! The price of each ticket remains \$1. Good luck!

Wade Garner and the Men's Club will once again have the 50-50 raffle. Tickets will be sold on the day of the event. Please see Wade for the tickets. He will let the Culdee family know when the tickets are available for sale and purchase.

Darrell and Karon McKenzie will be serving the Hot Dog lunch this year. 100% of their proceeds will be donated to Haiti: Help and Hope. They will be serving from 11:00 – 2:00. Enjoy three meals at Culdee!

This year we will be making themed baskets to sell. A sample basket will be placed in the narthex. Examples of themed baskets might include: team baskets (NCSU, UNC, ASU, etc.), soup night basket, movie night basket, quilters basket, music basket, kids bath basket, bridal shower basket, teacher basket. As you can see, the list is endless! Several baskets will be started every two weeks until the Harvest Festival. This will be a simple and quick way to contribute. Join your item with those of others to create something special! Baskets will make wonderful gifts for any kind of celebration. Join in!

Sign-up sheets will be in the narthex. Please help provide the supplies and hands necessary to make the Harvest Festival a blessing to all participating and attending.

Each member of the Culdee family is asked to:

- Be in prayer that God blesses willing hands to welcome the community to GOD'S house.
- Search for your place to be in service to God during this community event. It takes a village!
- Invite friends and neighbors to join Culdee to volunteer and/or enjoy the day!
- Help greet the visitors to Culdee and represent the face and love of GOD.

**Put talents to use for God's glory by participating in the 2024 Harvest Festival!
There is an opportunity for everyone!**
