The news coverage of Hurricane Beryl has shown us the devastating effects of this early-season hurricane. One way you can help victims in Texas and elsewhere is through Presbyterian Disaster Assistance (www.pda.pcusa.org), which responds to weather-related and other disasters in the United States and around the world. You can go to the PDA website and choose how you'd like for your donation to be directed. Another agency providing significant assistance in storm-ravaged areas is Samaritan's Purse (www.samaritanpurse.org). Please consider giving to help those whose lives have been devastated by storms.

Throughout July, the Presbytery of Coastal Carolina is having guided conversation gatherings so that they can understand the needs of the congregations of the presbytery. **You are invited to be a part of the conversation.** Please sign up for one of the listening sessions.
