

Culdee Presbyterian Church seeks a part-time, compensated, innovative and creative student of religious studies to establish a youth program serving the Culdee family and surrounding community at our church in West End, NC. Collaborate with church leaders and gain program development experience building a unique youth program in these challenging times when many youth are searching for God. Impact the lives of local youth and the greater community through Christian fellowship, Biblical teaching and mission outreach.

Please contact the Culdee Presbyterian Church office for an application.
