

## Tabletop Hot Dog Cart Rental Information

- Cart measures 14"wide x 24"long x 14"high and requires a 120v outlet. There are 2 wells, each which can hold approximately 20-30 hot dogs at a time OR one well can be used for steaming 10 buns at a time
- Carefully read the instructions listed on the back of the hot dog cart.
  - Fill bottom of the steamer with 2" water.
  - Fill each steam pan half way with hot water and add franks
  - Turn to High for 15 minutes to preheat. Do not turn the steamer on while dry!
  - Reduce heat to LOW and monitor water levels every 45 minutes.
- Use caution when opening the lid! Steam will exit in a quick blast, keep your face at a distance
- The handles of the steam lid will be HOT. Use towels and/or tongs to open/close.
- **PLEASE KEEP OUT OF REACH OF CHILDREN! HOT!! DO NOT LET CHILDREN OPERATE THE CART!** Alert any children that it is NOT a toy.
- Hubby's Dog House & Wilma Vending LLC claim no responsibility for any injuries or burns while the cart is being rented. Use at your own risk

### CLEANUP:

Dump all water and wipe with provided microfiber cloth. DO NOT WASH. DO NOT SCRUB. We will handle the washing and sanitizing after return! Please return cloth with the cart.

Any damage to the cart and/or its associated pieces will be replaced by the customer on the invoice
