1. Find your name at the top and click. This will produce the pull down menu shown above. Click on privacy settings.

Profile *

Listed ☒ Listed ☐ Unlisted ☐

This determines whether the name and picture can be seen by people with a username and password to the system when they do not have administration privileges.

2. Determine if you would like your profile listed.

If you need help with The Inn, please contact Gretchen

gretchen.hill@bigwhitechurch.com

In order to make our Online Community as vibrant and helpful as possible, please strongly consider sharing most items with "Everybody", or at the highest level you are comfortable sharing. No items will be shared if the Profile is not "Listed".

* Profile / Listed

Profile / Listed is a special setting in that no other setting will matter unless this is "Listed".

Everybody

This is the "highest level" and the preferred setting. Please use "Everybody" as much as possible. Fields with this setting can be viewed by anyone who has a username and password to use the system.

Friends & My Groups Members

Fields with this setting can be viewed by members of "Members Interact" type groups you are involved in, as well as other people with a login who are on your My Friends list. Appropriate church leadership can view the information as well.

Friends Only

Fields with this setting can only be viewed by other people with a login who are on your My Friends list. Appropriate church leadership can view the information as well.

Church Leadership Only

This is the "lowest level" setting. Please consider sharing your information at a higher level if at all possible (preferably "Everybody"). Fields with this setting can only be viewed by appropriate church leadership (ie, people who have been given additional administrative privileges for the system).

3. Update your privacy settings.
