Karen Morris, RN, BSN
- 5:00 p.m. [Raffles, Acknowledgements, Adjourn](#)

FETAL MONITORING POST-CONFERENCE NOVEMBER 11TH 8:00 a.m. – 4:30 p.m.

[Fetal Morse Code: A Systematic Approach To Basic and Advanced Fetal Monitoring](#)

Rebecca Cypher, MSN-PNNP, RN, BSN, RNC-OB, C-EFM

Whether you are new to obstetrics, an experienced clinician, or someone seeking a certification review course, this comprehensive workshop will focus on the primary elements of fetal monitoring. During this session, we will examine maternal-fetal physiology and use a standardized approach to interpretation, targeted corrective measures, and management principles that are evidence based and reflect consensus in the literature. Case studies and interactive self-assessment questions will be used to measure comprehension and demonstrate how ongoing education can improve knowledge and judgment in performing fetal monitoring.

SPEAKERS:

Nancy Comello, DNP, CNM, RNC-OB/MNN/ONQS, C-EFM, Member AWHONN Diversity, Equality and Inclusion Committee, Professional Development, UnityPoint Health-Meriter UW Health, Founder & Executive Director, Supporting Safe Birth, Inc.

DIAPER DRIVE:

1 in 3 families don't have all of the diapers they need to keep their infants clean, dry and healthy. Nurses see health complications of the serious rashes and infection created by leaving wet or soiled diapers on for too long, or by drying out and reusing diapers.

The Healthy Mom&Baby Diaper Drive is nurses in hospitals and health facilities throughout the U.S. collecting diapers to give to their most vulnerable patients.

Bring a package of diapers for the Healthy Mom & Baby Diaper Drive for a chance to win prizes.

ACCOMMODATIONS:

Rooms are available:

Tuesday, November 9th
Wednesday, November 10th
Thursday, November 11th

The last day to book at reduced rate is **Saturday, October 9th.**

The Wilderness Resorts and Waterparks
45 Hillman Road
Wisconsin Dells, WI
1-800-867-9453

Group Code: #879523
