SPONSORSHIP PACKAGES

Thank you for supporting the work of **Community Against Sexual Harm**. Your 2019 Sponsorship will help us serve more than 350 women this year at our Center for Women. We offer programs and services that meet the very specific needs of trafficked and exploited women. Our peer staff is dedicated to being here for women that are often stigmatized and ashamed to seek assistance. With your support, we are letting women know that the community cares and we are able to help.
