

Annual Report to the Community 2016.2017

2016 WAS AN EXCITING YEAR!

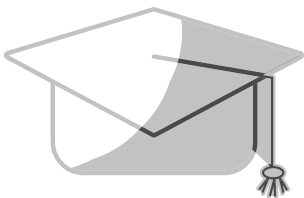

From RESET to Opening Doors to Healthy Women and Families, we've created innovative programs that are making a measurable difference in the lives of women in Sacramento. Here is a look back at 2016 and what we are working on in 2017.

Our mission is to assist women who have been commercially sexually exploited

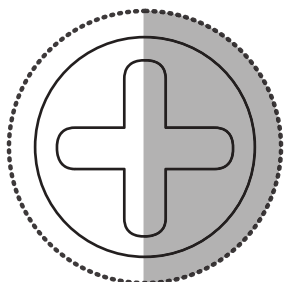

WE SERVED 290 WOMEN AT OUR CENTER FOR WOMEN.

Including, 59 RESET prostitution diversion program graduates and 19 Opening Doors anti-trafficking program participants. Last year, less than 3% of RESET graduates re-offended and 42% of Opening Doors participants obtained a job, moved into permanent housing, or enrolled in school.

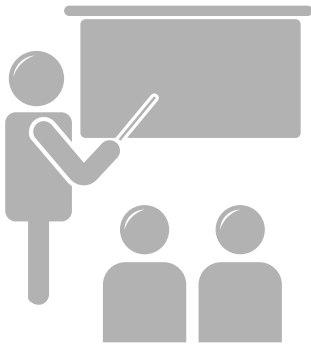

through survivor led peer support and
harm reduction services

**IN PARTNERSHIP WITH THE CARES FOUNDATION,
OUR STAFF OF 5 PEER MENTORS PROVIDED HIV
EDUCATION AND MADE TESTING AVAILABLE
TO 106 WOMEN. WE ALSO DISTRIBUTED THOUSANDS
OF CONDOMS TO THE COMMUNITY.**

1 in 4 people living with HIV is a woman according to the CDC, with African American women disproportionately affected.

while providing education about the harm inflicted on women and the community.

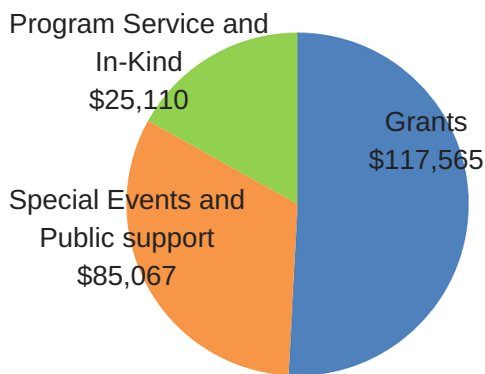

WE'VE EDUCATED 800 COMMUNITY MEMBERS INCLUDING SOCIAL WORKERS, LAW ENFORCEMENT, SERVICE CLUBS, AND COLLEGE STUDENTS.

Importantly, through our long-term partnership with Kaiser Permanente, we have educated 152 women about interpersonal violence, increasing their knowledge and changing attitudes about violence in the home.

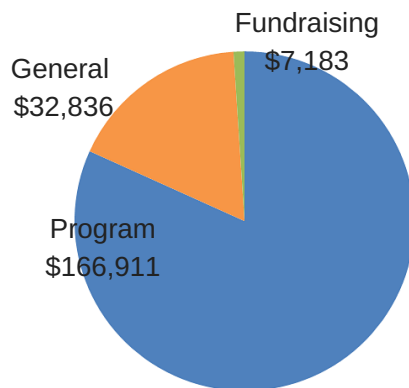

This year, we are working in collaboration with Dignity Health to make sure women know how to use health care to create a healthy life for themselves and their children.
