### Van's monthly thought:

April starts off with April Fool's Day and Easter landing on the same day. Kinda interesting, isn't it?

So what does each represent? Since I didn't know the origin of April Fool's Day, I googled it! I discovered no one knows the origin of it. All we know is it's predominately a day when people play tricks on each other.

Easter, or might I say Resurrection Day's, origin is clear. It is worldwide known through many different languages as the day Jesus Christ, who proclaimed to be the Son of God, raised from the dead. There are countless

witnesses and recorded history to verify this fact.

While people will play tricks on each other on April 1; meaning they will trick or deceive others, what happened on that incredible Sunday morning approximately 2000 years ago continues to affect people for good. Why? Because it wasn't a hoax or trick or deception. It happened. Jesus, though dead 3 days, came out of the tomb by the power of God.

The earth is littered with the graves of billions of people. There is a name on the stone or marker of each. Guess what no tombstone says? Jesus' name! None!!

Jesus, though dead—LIVES!!

- The soldiers guarding the tomb know he lives.
- The disciples saw him and ate with him and talked with him.
- The religious leaders know he was alive.
- Over 500 of the brethren, some time, some where, saw him.
- His brother James got to hang with his bro.

4/1/18 is not a day of fooling for God. For on that day, honestly and truly, Jesus rose from the dead! Embrace that truth and let it change you today!

# reBuild

is our student ministry to Mid. and Sr. High. The goal of this ministry is to expose students to Jesus so that belief in him might develop. Then, at that point, to help students live as disciples of Jesus.

With the adult help of Shawna Trotter, Brittney Lima and Van Longbons, as many students as well are stepping up and taking on responsibilities and leading. An effort is constantly being made to be creative and do new activities that stretch and challenge the students.

Three exciting dates coming up:

**April 6-12 - RR7 Day Radical Challenge**  
 Students who choose to, will step up to a daily challenge that will push them to do something that they normally don't do. They will have to trust in God through it all.

**April 22nd - is a Youth Sunday followed by our Annual Student Fundraiser.**  
 We will have a taco dinner and dessert auction. Everyone, please stay around after church, enjoy and participate in the auction.

**May 5th - Coffee and donuts for truckers 6:30 - 10 am**

If you would like to receive your Challenger through email instead of through the Post Office, please contact Laurinda at 918-273-1278.

Hillside is looking for someone to chair the Scholarship Program. If you are interested or

have any questions, please contact Charlie Hawkins.

The city wide clean up day is April 14th. Anyone who needs assistance with this, please contact Dan Marrs.
