

New Hope Community Church

PO Box 3135

Lynchburg, VA 24503

Pastor/Planter Job Description:

New Hope Community Church is a Christ centered reformed body of believers who are planting a church in downtown Lynchburg, Virginia. We are focused on local community engagement and are moving forward in supporting global missions to further the kingdom of God. Due to the limitations caused by the coronavirus we started meeting online on Zoom on April 12, 2020 and have now begun to offer both in-person and Zoom services on August 30, 2020.

We are currently seeking a full-time Pastor/Planter to lead us! Our desire is to find an ordained reformed man who loves preaching, discipleship, is mission minded and a gatherer. We have many talented leaders within our church family, but we are in serious need of leadership to encourage and grow us as God's people. Our website www.newhopelyncburg.net provides an overview of where we are at this point in our development and information about our mission and vision.
