CORNERSTONE
CHRISTIAN ◆ ACADEMY

2017-2018 Advancement Report

Dear Cornerstone Community,

Recently I had the pleasure of attending a CESA (Council on Educational Standards and Accountability) conference in Chicago. I must admit I am a bit of a homebody and do not relish the thought of being away from my family and school responsibilities. However, distance always creates a heightened sense of appreciation for those individuals in one's life.

Cornerstone is special. We are truly blessed with amazing teachers, staff and families. Each year we continue to stretch our budget in order to offer additional programs. I should not be surprised anymore, but nevertheless I'm always nervous when we step out on faith. Yet, each year the Lord continues to meet the school's needs. This year we are able to enjoy numerous capital improvements because our community selflessly gave at the Cornerstone Gala at record levels. We are not perfect by any means, but the Lord continues to bless our efforts. I am humbled to be woven into the Cornerstone community.

Your generosity through your annual giving, capital campaign sacrificial gifts and thousands of volunteer hours is making it so clear that all of you value a Christian education, and value seeing a school like Cornerstone thrive and grow in this community. Thank you for your generous support of Cornerstone. I am so excited to see where God will take us next!

In Him,

Colin

Colin Creel, Headmaster

OUR MISSION

Cornerstone Christian Academy will partner with parents to provide a quality academic education designed to develop students who will follow Christ, embrace biblical truth and live lives that glorify God.

The 2018 Cornerstone Gala was very successful due to the support of the Cornerstone community, as well as local businesses! The Gala was hosted at the Atlanta Athletic Club in Johns Creek, Georgia on March 17, 2018. Over 250 attendees enjoyed a wonderful seated dinner, silent and live auctions. Auction items included: class art projects, parties and activities with Cornerstone teachers, sports memorabilia, vacation home stays, birthday party packages and more. The Gala was able to raise over $150,000 for Cornerstone. The next Cornerstone Gala will be in the spring of 2020 at the Atlanta Athletic Club. The steering committee will soon be hard at work to make the 2020 Gala even better.

Parent Teacher Fellowship

Cornerstone's Parent Teacher Fellowship (PTF) serves to organize and implement our major events and to manage parent groups, like Room Moms, DADS Club, and Stage Hands. The PTF is run by a board whose members each serve a two year term. One of the primary goals of the organization is to build community within our school family. Working side by side in service, parents develop relationships and become more invested in our school.

Georgia Educational Tax Credit Program - 2018

The state of Georgia has allowed for the redirection of up to $2,500 of state income tax liability to a qualified student scholarship program for the purpose of needs based financial aid. Georgia “C" corporations can contribute up to 75% of their corporate tax liability. Members of limited liability companies, shareholders of “S” corporations, and partners in partnerships are allowed a Georgia income tax credit for up to $10,000 of the amount they contribute to a student scholarship organization.

Cornerstone participates with the student scholarship program known as Georgia GOAL. The redirected funds are sent to Cornerstone to provide financial assistance to applicants and students of the School.

We would like to thank Cornerstone parents, grandparents, faculty and friends for their participation and support through the GOAL program, making it possible for us to provide financial aid to students whom we might otherwise have not been able to serve.

Endowments (General Financial and Endowment Funds)

Katie Trapani Scholarship Fund

Established in 2017, the Katie Trapani Scholarship Fund provides financial aid to children or grandchildren of Cornerstone employees that would otherwise not be able to afford a school like Cornerstone. This fund was established by countless individuals in memory of Katie Trapani, affectionately known as “Mama T.” Katie taught in a variety of capacities at Cornerstone, but is most remembered as a remarkable teacher who made history come alive through live simulations. She left an indelible mark on everyone she encountered. She loved others well and her memory will live on in the lives of her “muffins” and colleagues.
