Summer 2018

Cornerstone Parents,

We hope your summer is off to a great start! Continuing to read throughout the summer is a very important part of your child's education. To help motivate our Lower School students (K-4), we host an incredible incentive called Camp Cougar.

Camp Cougar is a one hour celebration held during the school day during the first month of school. Teachers and adult chaperones will supervise the students while they play and enjoy the game room, the movie room and the café at PCBC. Camp Cougar is always a highlight of the year! To qualify for Camp Cougar, students must read the designated number of books assigned to their grade level.

Cornerstone's summer reading assignments and grade level information are posted on our school website. For additional book suggestions you can visit <http://www.startwithabook.org/summer-reading-learning>. Remember that there are many wonderful books available to you and your child. Your child may choose books that are interesting and appropriate to him/her and approved by you.

We ask that all students turn in their assigned summer work to their homeroom teacher on the first day of school, Wednesday, August 8.

Happy summer reading and learning,
Cornerstone Teachers
