

SO WILL I (100 BILLION X)

God of creation

There at the start before the beginning of time

With no point of reference

You spoke to the dark and fleshed out the wonder of light

And as You speak

A hundred billion galaxies are born

In the vapor of Your breath the planets form

If the stars were made to worship so will I

I can see Your heart in everything You've made

Every burning star a signal fire of grace

If creation sings Your praises so will I

God of Your promise

You don't speak in vain no syllable empty or void

For once You have spoken

All nature and science follow the sound of Your voice

And as You speak

A hundred billion creatures catch Your breath

Evolving in pursuit of what You said

If it all reveals Your nature so will I

I can see Your heart in everything You say

Every painted sky a canvas of Your grace

If creation still obeys You so will I
