

Sixth Grade Assignment

Story Structure

Directions: Use your assigned summer novel to complete the assignment below.

Step One: Choose one of the following novels by Carl Hiaasen to read:

Chomp

Flush

Scat

Step Two: Once you have finished reading your novel, you will complete a google slides presentation. You need to include the following on each slide listed below:

Slide 1 - MLA Heading, Title & Author, a picture of your choice

Slide 2 - Describe at least 4 main characters (or more) using 5-8 complete sentences total.

Slide 3 - Explain the setting and environmental issue using 5-8 sentences. Include a picture of your environmental issue.

Slide 4 - Describe the climax (or turning point) of the novel using 5-8 sentences.

Slide 5 - Explain in detail the resolution (or what happens in the end) of the novel using 5-8 sentences.

Slide 6 - You choose slide - You can write or display anything else you would like to share on this slide. Make sure it's fun, exciting, or meaningful!

Step Three: Share your Google presentation with Mrs. Boling:
