Citrus-Arugula Salad

A light and unique salad that pairs especially well with seafood. Easy to serve in the winter season with just 4 ingredients!

You Will Need:

- 1 package ready-to-eat Baby Arugula greens
- ¼ Cup crumbled Feta cheese *
- ½ Lime
- Delavignes Lemon-Infused Olive Oil

Instructions:

Arrange arugula in large serving bowl or on individual salad plates. Squeeze the ½ Lime over the greens, distributing the juice as evenly as possible. Sprinkle Feta over greens, and add a quick drizzle of Lemon Infused Olive Oil to finish.

* If possible before halving the lime, roll it on the counter top while applying pressure. This will help to release the juice!
