Meatloaf

A new spin on an old favorite!

You Will Need:

- 1 Lb. ground beef or turkey
- ½ cup **Delavignes Garlic Infused Olive Oil**
- ¼ cup **Delavignes Balsamic Condimenti**
- 1 egg
- ¼ cup bread crumbs
- 1 minced onion
- Pinch salt & pepper

Directions:

Preheat oven to 350°F and coat the inside of a glass loaf pan with cooking spray. Slightly beat the egg in a large mixing bowl and whisk in the oil and vinegar. Combine with all of the remaining ingredients (you may need to use your hands!). Press evenly into loaf pan and bake at 350 until done, about 1 hour. Serve with salad and mashed potato. Enjoy!

This recipe can be easily doubled to a 2-loaf batch. For a shorter cooking time, divide mixture among 4 – 6 oven-safe ramekins and bake 15-20 minutes, or until bubbly and cooked through!
