

Tropical Fruit Kebabs

*A refreshing chilled desert made with
Delavignes Chocolate Balsamic Condimenti!*

You Will Need:

1 fresh pineapple	Long frilled toothpicks
1 small seedless watermelon	Fresh mint sprig for garnish
4-6 ripe kiwi fruit	Delavignes Chocolate Infused Balsamic Condimenti

Instructions:

Slice the both the fresh pineapple and watermelon into approximately 1-inch cubes. Carefully peel the kiwi fruit and cut into approximately 1/3 inch slices. Skewer one piece of each fruit onto toothpicks; this works best with the kiwi slice in the middle. Arrange kebabs on a serving platter. Cover with plastic wrap and refrigerate for 30 minutes. Drizzle generously with Delavignes Chocolate Infused Balsamic Condimenti and garnish with mint sprig before serving.
